Saint Paisius the Great of Egypt

June 19

Apolytikion

Fourth Mode
"Be quick to anticipate"

Allegro \( \frac{1}{4}=150 \)

The incarnate Angel, and the boast and summit of monks,

the bodiless man, the citizen of Heaven, the great God-bearing Paisius celebrateth with us

in divine jubilation, granting grace to all them
that exalt him with reverence. With fervour let us honour this day, offering him songs of praise.
