Saint Susanna
Queen of Georgia

August 28

Apolytikion

Intonation: #13
Plagal First Mode
"Let us worship the Word"

Let us honour Susanna, the wise hand-maid of God, the
godly boast of Iberia, the bright lamp of the
Faith, the far-shining and great beacon of true piety. For, by her confession of the Truth, she hath
shown forth unto all the paths leading to salvation; and she maketh fervent entreaty that we be granted life and mercy from God.
