* In some places on the Holy Mountain, this psalm verse is chanted at the beginning of a vigil while the priest censens. In other places on the Holy Mountain, however, nothing is chanted or read at that time in a vigil, which is the more traditional practice.

Thy house; I shall wor-
 ship toward
 toward Thy ho- ly
 tem- ple in fear
 of Thee, O Lord, O
 Lord.

O sleepless nights, with the singing of psalms,

and with standing which lasts from one day to the next!

O David, only for these faithful souls [the nuns], have you not sung too long!

—St. Gregory of Nazianzus
